Francis Elder Post Fined $500 Friday

Judge Patrick M. Schnauffer in Frederick County Circuit Court on Friday assessed a $500 fine against the Francis X. Elder Post of the American Legion, Emmitsburg, on a gaming charge growing out of a raid by Sheriff R. Paul Buhrman which turned up three slot machines late in August.

The post through its attorney, Alton Y. Bennett, pleaded guilty to the first count of the charge and other counts were abandoned by State's Attorney Charles U. Price, who prosecuted.

Only a brief statement was made by Mr. Price to the court disclosing that Sheriff Buhrman, acting on a complaint made to the state's attorney, went to the Elder post home in Emmitsburg and found the three slot machines in operation. The devices were confiscated.

RED MT. CHURCH WILL OBSERVE 100TH BIRTHDAY

Red Mount Evangelical United Brethren Church will observe its 100th anniversary with special services beginning Sunday, September 20, and continuing through Wednesday, September 23.

The actual beginnings of the congregation cannot be authenticated. However, the trustees of the church have in their possession a deed dated 1829 for the purchase of a plot of ground adjacent to the present cemetery for the building of a schoolhouse to be known as Bowers school. It is generally believed that this school was also used for religious services, and it may have been one of the preaching places for the followers of Jacob Albright, the founder of the Evangelical church, as "iternated" from Freysville in the southern part of York County to Cumberland County.

By 1852 there must have been an an organized congregation, for that date appears on the old cornerstone which is located in the apex of the present church edifice. It is presumed that this is the year in which Bowers Evangelical church was erected. It was a stone structure and some of the stones were used for the foundation of the pres-

Fire Company officials are seeking a "good turnout" for the parade, the last in which the local company will participate this year.

WELCOME NEW PASTOR FRIDAY AT RECEPTION

Between 175 and 200 members and friends of College Lutheran Church attended a reception for the new pastor, the Rev. Herbert G. Stuempfle, Jr., Friday evening in the social rooms of the church. The Rev. Mr. Stuempfle began his pastoral duties with his installation July 5.

With Dr. Harry F. Baughman, president of the seminary and an officer of the church council, presiding, there were brief talks Friday evening by Dr. Walter C. Langsam, president of the college; Dean W. E. Tilberg for the Sunday School and Dr. Carl C. Rasmussen for the seminary. The Rev. Mr. Stuempfle responded.

Dr. Langsam pointed out that "it is entirely fitting that our new pastor, as a Freshman, should be greeted from the college by me as a Sophomore. On the personal level, I can only epxress the hope that he may find life in the Gettysburg community as pleasant and stimulating and rewarding as I have found it to be.

Musical Selections

"Relations between the college and Christ Church, the College Church, have long been close and friendly, and we on the campus all look forward to a happy continuation of this fellowship in the Kingdom. In a very real sense, the Church has been our Sunday campus and we pray that it may long so remain." He concluded by extending the college's "heartfelt greetings and best wishes for a blessed and effective pastorate in our midst."

There were vocal selections by Mrs. Lee McDaniel and violin numbers by Harold Motter with Miss Elizabeth Sheffer as their accompanist.

Arrangements for the reception were made by a committee headed by Dr. J. C. Donley, Dr. John B. Zinn and George Forney. The ladies who assisted with refreshments and decorations were Mrs. Russell Campbell, Mrs. Lester Johnson, Mrs. Ralph Heim, Mrs. Mark K. Eckert and Mrs. L. S. Long.

Reveal Testimony On Reds' Plot To Infiltrate Churches; May Bring New Religion Probe

By WILLIAM F. ARBOGAST

WASHINGTON (AP) — Testimony about a plot to infiltrate America's churches—"successful beyond even Communist expectations"—may provide the basis for further congressional probings for Reds in religion.

The House Un-American Activities Committee, which resumes its sessions late this year or early in 1954, made public the detailed testimony yesterday.

It came from former active Communist leaders and told of how the Reds, unable to destroy religion by frontal assaults, bored from within to seek their goal with the aid of unwitting dupes and pawns.

Beyond Expectations

One witness, Manning Johnson of New York, said not even the Reds themselves expected to achieve the success he said they realized.

Another, Benjamin Gitlow of New York, testified: "In the infiltration of the Methodist church, the Communists were highly successful."

A third, Joseph Zack Kornfeder of New York, called the fifth column plan "rather effective."

Ex-Reds On Stand

Johnson was described as a Communist from 1930 to 1940 and a member of the party's national committee from 1936 to 1938; Gitlow as a top U.S. Communist leader from 1919 to 1929, and Kornfeder as a Communist from 1919 to 1934.

They testified last July at committee meetings in New York. The meetings, not open to the public, were called ostensibly to investigate communism in the New York area. However, the hearing transcript disclosed the subject of communism in religion was considered exclusively.

Kornfeder estimated there are 600 clergymen in the United States who are "secret" members of the Communist party. He said between

Open Bids Monday On GHS Addition

Bids for the auditorium-classroom addition to the Gettysburg High School building will be opened at the September meeting of the Joint School Board to be held Monday evening at 8 o'clock in the school library with members of the Gettysburg School Authority in attendance.

Notices of the meeting have been sent to members of all of all of the member boards by Secretary Kenneth Reinhart. A majority of the members of each board must be present for action to be taken on the new building which has reached bidding stage after being on paper for two years.

The work involves many changes in the present building in addition to the addition. The present library will become classrooms and the present auditorium will become the new library with office, conference rooms and storage space to be placed on the present stage and balcony according to plans.

2 KILLED, 24 HURT IN AUTO CRASHES HERE IN AUGUST

Two persons were killed and 24 injured in 43 accidents investigated by state police on the highways of Adams County during August Sgt. Joseph E. Temple, commanding officer of the local state police substation, reported today.

Sgt. Temple said "more vehicles on the road and more traffic" was responsible for an increase in traffic accidents noted during the month. The number increased from 33 in August a year ago and 38 in July this year.

However the number of injured in the crashes was a decline from both prior months. There were 26 injured and one killed in July, and 37 injured last August.

$24,419 Damage Bill

Damage resulting from the 43 crashes last month totaled $24,419 as compared to a damage total of $33,300 in July and $22,127 in August, 1952. t

In the attempt to cut down the number of crashes, state policemen arrested 114 drivers for various violations of the traffic regulations during the month.

In the course of their work the officers traveled 19,000 miles by car and 3,920 as passengers in cars driven by other policemen. They made a total of 386 traffic patrols during the month, and spent 1,182 hours on traffic duty.

"Flunk" One In Three

In addition to their traffic duties the officers spent 1,256 hours on station duty, 429 hours on criminal investigations and 223 hours on special assignments.

They made 24 criminal law violation investigations, 81 state department investigations and two other investigations. They passed 67 applicants for drivers licenses and "flunked" 35. They recovered a vehicle worth $300 and also recovered other property valued at $340.66 during the course of their investigations.

Members of the Gettysburg Fire Department will meet Sunday evening at 7 o'clock at the fire engine house to go to the funeral parlor in a body.

LIGHT MARKET TODAY; PRICES ARE UNCHANGED

Prices remained "about the same" at a somewhat slow moving Farmers Market this morning.

Because of the South Mountain Fair several of the regular farmers were not present and the rain also curtailed business.

Corn was available at two stands at 40 cents a dozen.

Bartlett pears made their appearance at 25 cents a quart box. Seckel pears, on the market for several weeks, were selling at 15 cents a quart box, 25 cents a quarter peck, 45 cents a half peck.

Peaches sold at 20 cents a quart box, 35 cents a quarter peck, $1.25 to $1.50 a half bushel. Plums varied in price from 20 to 45 cents a quart box, $1.50 a half bushel and $2.50 a bushel.

Other Market Prices

Apple prices were about the same as last week, with some variations noted for variety and quality. Generally the prices ranged from 25 to 30 cents a quarter peck. Smokehouse was a new variety on the market today. Crabapples were 25 cents a quarter peck, 45 cents a half.

Tomatoes sold for 20 cents a quart box.

Potatoes generally were 25 cents a quarter peck, $1.25 a half bushel, $2.50 a bushel.

Eggs varied from 40 cents a dozen for pullets to 70 cents a dozen for large to 75 cents for extra large. Butter remained at about 70 cents a pound, with variations of a few cents noted.

Chicken continued at 60 cents a pound; lima beans at 30 cents a pint, 60 cents a quart box; grapes 20 cents a box. All other prices remained constant with previous weeks, for baked goods, beets, potato salad and other offerings of the market.

To Install Seminary Graduate On Sunday

Zion Lutheran Church, Harrisburg, will hold an installation service for the newly-elected assistant pastor, the Rev. Carl Heim Greenawald, Sunday evening at 7:30 o'clock. The Rev. Dr. Dwight F. Putman, president of the Central Pennsylvania Synod of the United Lutheran Church in America, will preach the sermon and conduct the service of installation. The liturgist will be the Rev. Dr. Viggo Swensen.

The Rev. Mr. Greenawald is a native of Reading, and reecived his early education in that city. He graduated from Gettysburg College in 1950, majoring in history, and received his B.D. Degree from the Gettysburg Theological Seminary in 1953.

LUCILLE BALL NOT COMMUNIST HOUSE UNIT SAYS

HOLLYWOOD (AP)—Lucille Ball, television's top comedienne, never was a Communist, says the House Un-American Activities Committee, even though she registered as one 17 years ago.

The wide-eyed star of the popular "I Love Lucy" show freely admitted to committee investigator William Wheeler that she registered March 19, 1936, to vote for the Communist ticket "because Grandpa wanted all of us to."

But she emphatically denied ever being a party member or voting for party candidates.

Scotch Red Rumors

"There is no evidence that Miss Ball is or ever was a party member," Rep. Donald L. Jackson (R-Calif), committee member, told a news conference last night.

Jackson explained he called the conference at the behest of a majority of committee members so that rumors implicating Miss Ball, 42, with communism could be scotched.

If the rumors hadn't become widespread, he added, it is unlikely the committee would have made the disclosures, since it had known for several years of Miss Ball's registration.

Failed To Vote In '38

Jackson said that there is some question as to whether Miss Ball ever voted the Communist ticket, but added that this point will be cleared up today with the release of the transcript of her testimony before Wheeler.

The same time she registered, Jackson said, she signed a nominating petition for Emil Freed, Communist party candidate for the 57th California Assembly District. He said this also was at the request of her grandfather, Fred C. Hunt, now deceased, and who, the actress said, made the political decisions in the family.

The actress was quoted by Jackson as saying that in addition to herself, her mother, Mrs. Desiree Ball, and brother, Fred H. Ball, all registered to vote Communist in 1936.

Miss Ball's registration lapsed two years later, records showed, because she failed to vote in 1938.

Fugitive Caught In Cop's Backyard

HARRISBURG, (AP)—A 23-year old New Jersey man was arrested on a stolen car charge last night after a wild chase that ended accidentally in the backyard of a state policeman.

Pfc. John C. Lipka of the state police identified the man as John Paul Knapp, Teaneck, N. J. Lipka quoted Knapp as saying he stole the car Thursday near the George Washington bridge in New York City.

Lipka said he spotted the 1952 coupe roaring westward on U. S. 22 at a high rate of speed about 20 miles east of here. He chased Knapp into suburban Penbrook where Knapp became hemmed in by traffic.

Knapp fled the car at a traffic light and ran into the backyard of a home, Lipka said. It turned out, however, that was his mistake. It was the home of acting 1st Sgt. Joseph L. Pochyba of the state police. Knapp surrendered without a struggle.

The New Jersey youth later pleaded guilty to charges of larceny of a motor vehicle and reckless driving and was held in Dauphin County prison in default of $2,000 bail.

U. S. Wants Russia To Pay War Debt

WASHINGTON (AP) —The U. S. government is trying again to get back from Russia ships and money borrowed when the two countries were allies against Germany.

A memorandum handed Ambassador Georgi N. Zarubin yesterday renewed American demands for return of 670 ships, mostly small naval vessels. Under Secretary of State Walter B. Smith also reminded Zarubin that negotiations for settling the lend lease account have been dragging on more than six years.

The United States asks 800 million dollars in compensation for an estimated $2,600,000,000 in lend lease items. The Russians last year offered 300 million.

NEWPORT, R. I. (AP) — Forty-eight former enlisted men and warrant officers—the first such group drawn from ships and shore stations for officer candidate training—Friday won commissions as ensigns, in the regular Navy at graduation exercises of the Navy Officer Candidate School here.

GEN. HULL GOES FROM PENTAGON TO TRUCE LINE

WASHINGTON (AP)—Gen. John E. Hull, a desk officer for much of his 36-year military career, leaves the Pentagon soon to command troops along the uneasy truce line in Korea.

The tall, strapping Ohioan was named by President Eisenhower yesterday to succeed Gen. Mark Clark as supreme United Nations commander in the Far East. Clark retires Oct. 30.

Hull, now 58, has not seen combat since World War I when, as a junior infantry officer, he won the Silver Star for gallantry during the Aisne-Marne offensive.

Called "Atomic Expert"

His World War II years were spent in the less dramatic but vital jobs of handling operations for all the far flung overseas theaters. He worked closely in this work with Gen. George C. Marshall, then Army chief of staff.

Hull became something of an expert on atomic weapons five years ago when he had charge of atom bomb tests conducted at Eniwetok atoll in the Pacific.

He also is given credit for playing an important role in the development of the Army's giant atomic cannon, one of the world's newest and most potent weapons.

For the past two years, Hull has been vice chief of staff of the Army.

Not A West Pointer

Unlike many of his fellow general officers, Hull is not a West Pointer. He entered the Army through the reserve in 1917 shortly after graduating from Miami University at Oxford, Ohio.

After garrison duty and time spent in both attending and instructing at Army schools during peace time, just before Pearl Harbor Hull came to Washington to work with the war plans division of the General Staff.

He held top administrative posts in Washington until July, 1946, when he took command of Army forces in the Middle Pacific, including Hawaii.

He returned to Washington early in 1949 to set up weapons evaluation for the secretary of defense.

Hull got his fourth star in August 1951, when he was elevated to vice chief from deputy chief of staff for administration.

The elephant is by far the largest land animal today.

MISS AMERICA ENTRANTS IN FINALS TODAY

ATLANTIC CITY, N.J. (AP)—The Miss America hopefuls went into the last day of the week-long contest today, as nervous as 52 bridesmaids waiting for someone to throw them a bouquet.

With the preliminaries over the girls will wait out the day until the final judging tonight, when ten finalists will be named and the elimination progresses until the winner of the $50,000 title is chosen.

Six of the contestants have a big jump on the field—their victories in talent and bathing suit preliminaries in the past three nights.

More "Firsts"

Last night 21-year-old Miss Delaware, Lois Ann Alava of Wilmington, won in the talent division by playing the cadenza from Grieg's piano concerto in A minor.

Miss California, Patricia Ann Johns, an 18-year-old beauty from Fresno, wore a white bathing suit (one-piece as required by contest rules) well enough to win in that division last night.

The other bathing suit winners on earlier nights were Miss Wyoming (Elaine Lois Holkenbrink of Torrington) and Miss Pennsylvania (Evelyn Margaret Ay of Ephrata).

To Be 10 Finalists

The other two girls with firsts in talent are Miss Virginia (Anne Lee Ceglis of Norfolk) and Miss South Dakota (Delores Jerde of Spearfish).

But the girls also are judged on how well they look in an evening gown and on their personalities. Results of these preliminaries are not announced and add a large amount of uncertainty to any forecasts.

None of the girls won more than one preliminary and any one of the 52 entrants has a chance to be among the 10 finalists chosen tonight. The number will be whittled to five and then Miss America of 1954 will be named to reign for a year.

HARRISBURG (AP) — Pennsylvania's new commissioner of corrections said today the commonwealth could have millions of dollars by making the state penal system "more and more self sufficient."

Arthur T. Prasse, named by Gov. John S. Fine to the new post last month, said expansion of prison industry and farm programs is one of his chief aims.

307 American Air Force Men, Captured By Reds In Korea, Are Still Unaccounted For

WASHINGTON (AP)—The Pentagon today released a list of 307 American Air Force personnel still unaccounted for after being reportedly captured by the Communists in Korea.

The list is the fourth released so far, bringing to 917 the number of identified Americans not accounted for. The Defense Department has said there are 944 such missing men in all, including soldiers, sailors, airmen and Marines.

The lists are released 24 hours after next of kin have been notified that efforts are being made to determine the men's fate. An accounting has been demanded from the Communists.

Today's list, all airmen, included the following Pennsylvanians:

Cpl. Raymond R. Bacon, nephew of Mrs. Annie Bacon, 1002 Liverpool St., Pittsburgh.

Maj. William H. Baumer, son of Mrs. Mary Baumer, 124 St. Anthony St., Lewisburg.

Let Tank Contract To General Motors

WASHINGTON (AP) — The Army has declared the Fisher body division of General Motors Corp. successful bidder on a 200-million-dollar contract for "Patton" medium tanks.

Secretary of the Army Robert T. Stevens said yesterday the General Motors bid was about 12 per cent lower than one by the Chrysler Corp. Both motor companies have been producing the tanks, officially designated M48.

The Army said Chrysler would continue building M48s at Newark, Del., until April 1954 and afterwards would keep its tools in "package storage" so as to resume production "quickly if necessary." Stevens said Chrysler would continue under a separate contract to design the M48.

The secretary also said contracts amounting to 85 million dollars for 2½ ton trucks had been awarded to General Motors. He said contracts totaling 61 million dollars for similar vehicles went to Reo Motors Corp.

NEW DRIVE FOR T-H REPEAL IS SEEN BY MURRAY

By JACK BELL

WASHINGTON (AP)—Sen. Murray (D-Mont) said today a new drive for outright repeal of the Taft-Hartley Act may be the Democrats' answer to Eisenhower administration discord over labor policies.

Murray, top Democrat on the Senate Labor Committee, said in an interview he intends to sponsor a repealer in the next session of Congress and to make the matter an issue in next year's congressional campaign.

"Secretary of Labor Durkin's resignation indicates very clearly that any Taft-Hartley amendments the Republicans offer are not going to be the kind promised by President Eisenhower in last year's campaign which would be sympathetic with the workers' program," Murray said.

Regret And Surprise

Chairman H. Alexander Smith (R-NJ) of the Senate Labor Committee expressed regret and surprise over Durkin's resignation Thursday. Smith said in a telephoned statement he had "undercontinue to the end that a labor program might be developed and legislation prepared for introduction in Congress early in January."

Sen. Hill (D-Ala), another Labor Committee member, said he regards Durkin's resignation as indicating that the Eisenhower administration is "not going to come up with any modification of the Taft-Hartley Act that will satisfy labor."

Durkin, a Democrat, quit the Cabinet to return to his post as president of the AFL plumbers and steamfitters union, saying White House aides had broken an agreement with him to put the administration's support behind 19 proposed Taft-Hartley law changes.

Durkin Claim "Unfounded"

Durkin declined to detail the changes on which he said agreement had been reached. However, 19 points also were contained in a proposed message to Congress never actually sent to the lawmakers but leaked to newsmen during this year's session.

In Philadelphia yesterday Chairman McConnell (R-Pa) of the House Labor Committee said he knew of no basis for Durkin's assertion that the White House had promised support for 19 changes in the Taft-Hartley law.

McConnell also asserted the proposed draft was "not final."

PLAN ART SCHOOL

Mobile X-Ray Unit To Check Littlestown School Children On Tuesday; VFW Women Meet

Paul E. King, supervising principal of the Littlestown Joint School System, has announced that the mobile X-ray bus will come to the schools to make chest examinations of school children, parents and others on Tuesday, September 15, beginning at 11 a.m. There is no age limit and parents are urged to have all of their children X-rayed.

The Adams County Tuberculosis Society will gain pay for all children in the ninth grade, athletes, teachers, bus drivers, janitors and other school employes as in the past, out of its Christmas seal funds. All other children, adults and persons not connected with the schools may have an X-ray for the sum of 65 cents, which has been reduced this year to encourage more people to take advantage of the survey. The study includes all abnormalities of the chest, and particularly many types of heart disease. The findings show a large number of children with heart conditions, especially of the rheumatic type.

Delay Project Decision

Seventeen members were in attendance at the September meeting of the Ladies' Auxiliary to the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars on Thursday evening at the VFW, West King St. Mrs. Ruth Dooley, president, presided. Reports were heard from the secretary, Mrs. Helen Garner, and treasurer, Mrs. Mildred Weaver. A cash donation was voted to the sweater and coat fund of the Coatesville Veterans Hospital. The Auxiliary is planning a community service project for this winter but the definite project was not decided upon. A discussion was held concerning the group visit to Mont Alto in December.

It was decided to make salted peanuts again this winter for the benefit of the treasury. The peanuts will be made in the kitchen at the VFW Home on the first and third Thursday of every month beginning on October 1. The committee in charge of this project is composed of Miss Helen Jacobs, Mrs. Madalyn Bloom, Mrs. Gladys Bay, Mrs. Maragret Baker, Mrs. Ethel Bridinger, Mrs. Treva Snyder and Mrs. Ruth Dooley.

Plant were made to hold a plant sale in conjunction with the next meeting on Thursday, Oct. 8, and each member is asked to bring a plant. The guess package was contributed by Mrs. Annabelle Ohler and received by Miss Helen Jacobs. Refreshments were served by the September hostess committee, comprising Mrs. Emily Hahn, Mrs. Annabelle Ohler and Mrs. Mary Reigle. This committee will also serve in October.

"TO BE IMMORTAL"

If you seek to be immortal . . . like the starts that shine above . . . and you want to be implanted . . . on the earth that you so love . . . live according to God's wishes . . . and you will gain much I'm sure . . . to imprint yourself in every heart . . . where you will long endure . . . for by living near your Master . . . all your words and deeds hold right . . . you will radiate to people . . . an eternal glowing light . . . you will live as long as truth does . . . and your noble ways will last . . . when all other things are over . . . and most other lives are past . . . you will know no gap of sleeping . . . for you'll live next to your God . . . even though your body's planted . . . in the fertile earthen sod . . . so to you who strive to linger . . . fame or gold won't help your tries . . . but your life can be eternal . . . for a good man never dies.

The program committee for September includes Mrs. Harry T. Harner, chairman, Mrs. Anna B. Leach, Mrs. William H. Marshman, Mrs. John N. Sell, Mrs. George P. Smith and Mrs. Ralph A. Staley. Those comprising the hostess committee are Mrs. Roy D. Renner, chairman, Mrs. Edward H. Brown, Mrs. H. Dewey Strevig, Miss Louise Duttera, Mrs. James Dutterer, Mrs. Irvin Kindig and Mrs. Naomi C. Schwartz.

The annual birthday party to be held in connection with the Ladies' Aid Society of Bart's EUB Church, near town, tonight, has been cancelled. The meeting will not be held due to the death of Mrs. Horace R. Schue, one of the members.

Mission Group Meets

"The Christian Movement" was the topic of discussion at the first fall meeting of the Alta Hummer Missionary Society of St. John's Lutheran Church, held on Thursday evening at the church. The topic was introduced by Mrs. Kenneth Miller, leader for the evening, and readings on the subject were given by the 18 members in attendance. The devotions included the reading of Psalm 67 responsively and Mrs. William C. Karns offered prayer. The missionary benediction was repeated in unison and a magazine quiz was held.

Mrs. Samuel Renner, society president, conducted the business period. A report was heard from Mrs. Albert Starner, secretary. It was announced that the society will be in charge of the annual thank-offering service to be held on Sunday, November 1, at the morning worship. Further plans for this service will be made later. A report on the first four chapters of the novel "Livingstone of the Pathfinder" was given by Mrs. Renner. Mrs. Dale W. Starry will give a report on this novel in October. At the conclusion of the business, refreshments were served by the September hostesses, Mrs. Kenneth Miller and Mrs. William C. Karns. The next meeting will be held Thursday, October 8, at the church with Mrs. Preston Myers as leader. The hostesses will be Mrs. Myers and Mrs. Raymond Reinaman.

Miss Louise Bucher, daughter of Mr. and Mrs. Mahlon Bucher, near town, and a graduate of the local high school in 1953, has entered the Harrisburg Hospital School of Nursing.

Mr. and Mrs. Philip Weikert and son, Philip, were guests on Wednesday night of his uncle and aunt, Mr. and Mrs. Stanley B. Stover, East King St., and also visited with other relatives in town. They left on Friday for Virginia Beach, Va.

Friday visitors at the home of Mr. and Mrs. Robert V. Weaver and family, South Queen St., were the former's brother and sister-in-law, Mr. and Mrs. Dale E. Weaver, and children, Joseph and Diane, Westminster.

PROFESSOR'S RESIGNATION IS ACCEPTED

NEW BRUNSWICK, N. J. (AP) — Rutgers University's trustees have accepted the resignation of Prof. Abraham Glasser, who refused to testify about Communist connections in a stormy session with congressional probers.

The board of trustees last night flatly announced acceptance of Glasser's resignation, said the action was final and gave out no other details.

On Aug. 29 a faculty board of review recommended that Glasser be allowed to resign or be fired.

Refused To Tell

Glasser, a 39-year-old former associate professor of law at Newark Rutgers, refused to tell the House Un-American Activities Committee whether he was a Communist between 1935 and 1941, when he worked for the Justice Department.

The day after the March 19 hearing Glasser was suspended by Rutgers. The board of trustees of the university had previously ordered all faculty members to answer questions of "duly constituted investigatory bodies" or be dismissed.

In his appearance before the Un-Glasser cited his clearance in 1941 by superiors in the Justice Department. He said the congressional probe placed him in "double jeopardy."

Glasser testified he was not now a Communist if it was defined as "an official card-carrying member of the Communist party."

The hearing broke out in an angry debate between Glasser and the congressmen, with one prober accusing him of trying to lecture the committee.

Two other Rutgers professors were dismissed Jan. 1 for refusing to testify before a Senate committee investigating communism.

Check For Penny Balances Accounts

WEST SENECA, N. Y. (AP) — A one-cent check has balanced the million-dollar tax account of this town near Buffalo.

William H. Wershin, the receiver of taxes, wrote the check to correct a shortage in his $1,233,354.84 collections.

County Treasurer Frank A. Slade had informed him his returns showed only $1,233,354.83.

For 24 years, Wershin had balanced his books to the penny.

He mailed Slade the one-cent check, using a three-cent stamp.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TEN YEARS AGO

Italy Surrenders: Allied Headquarters in North Africa, Sept. 8 (AP)—General Dwight D. Eisenhower announced today the unconditional surrender of the Italian armed forces.

The commander of the Allied forces said he had granted Italy a military armistice.

Thus the minor member of the Berlin-Tokyo-Rome Axis met the stipulation that has been insisted upon by President Roosevelt and Prime Minister Churchill—unconditional surrender and nothing else.

The announcement came as dispirited Italian troops by the hundreds surrendered to British and Canadian troops advancing up the Calabrian peninsula where the Allies landed last Friday on the heels of a 38-day Sicilian victory which sent the Germans fleeing to the mainland.

Army Mapping Project Opens In This Area: Gettysburg has been selected as field headquarters for the War Mapping project which the U. S. Forest Service of the Department of Agriculture is undertaking for the Army.

The map making will be carried on by skilled engineers who are beginning to arrive from a similar project recently completed on the West coast. Two trucks with survey crews and equipment have already reached the Chambersburg area where some of the field work was to have started on Labor Day. Other crew members are enroute to take up their stations which are located at many points surrounding Gettysburg.

Actual compilation and preparation of the map sheets is to be done at the Lee-Meade Inn which has been leased to serve as headquarters. About 30 engineers will be located at the office and about twice that number will be engaged in the field surveys covering a period of the next nine months.

Miss Doris Day Married Here 11 A.M. Monday: Miss Doris Ann Day, 28 Chambersburg St., daughter of the late Captain Lewis A. Day and Mrs. Ruth Faber Day, and John Michael Kamrad, Washington, D. C., son of Mr. and Mrs. Michael Kamrad, Atlantic City, N. J., were united in marriage by the Rev. Fr. Mark E. Stock, at 11 a.m. Monday in St. Francis Xavier Catholic Rectory, W. High St.

The bride wore an aqua satin street-length dress with a net Juliet cap with shoulder-length veil and carried two small white orchids. The matron of honor, Mrs. Jean Ziegler Cann, Alexandria, Va., wore a tan velveteen street-length dress with accessories and a corsage of roses. The best man was Robert H. Kurtzman, Washington D. C.

The bride is a graduate of Gettysburg High School in the class of 1938 and attended Gettysburg College and the Washington, D. C. school for secretaries. She is an employe of the British Army staff at Washington.

Mr. Kamrad graduated from Atlantic City High School in the class of 1937 and from Atlantic City College in 1940. Since then he has been employed by the Civil Service Commission at Washington.

Miss Day's grandmother, Mrs. Anne M. Faber, and Mr. Kamrad's parents were present in the rectory for the ring service.

FAME AND GREATNESS

I have always wondered why so many people want to be famous. It is so much better to be great, even though you are never acclaimed for it. We can be great in our daily lives by doing our work in the best manner possible, according to our ability, and paying no attention to whether it means fame or publicity.

Fame is so fleeting. Cheers today, all forgotten tomorrow! But innate greatness is something different. It remains. People who become great never think about what they do as anything great. That's why they are great. Who were the famous of yesterday? Who are the great today? The latter are those who were great yesterday, and a long time before.

Greatness is something measured. Often it has taken years, even a century or more, for genuine greatness to be affirmed. Edgar Allan Poe was so poor during most of his lifetime that he struggled with hunger and neglect, but his greatness as a poet lives to this very day, and far beyond his own America. This is true of many a one neglected in life.

Henry D. Thoreau was not famous in his day, nor did people look upon him as anything unusual. He was looked upon a rather strange, but now his thoughts and books are among the treasures of literature. The same can be said of Emily Dickinson, whose greatness had to be delayed for over half a century, before being acknowledged. Now she takes her place among the immortals of poets.

People love Will Rogers today as they did when he lived and gave them cheer and hope. He had fame, but his greatness outshone and smothered it. The same can be said of Abraham Lincoln, and a multitude of others. Greatness is an abiding thing. It grows in luster with the years.

Said Robert Louis Stevenson: "An aim in life is the only fortune worth the finding; and it is not to be found in foreign lands, but in the heart itself."

Just Folks

COMMITTEES

Committees are the groups that meet
To do the work for others.
Clubs, large or small, they're members all;
In lodges they are brothers.
In churches they for many a day
To building pay attention,
And then, again, they're business men
Who plan next year's convention.

Committees are the willing men
With burdens thrust upon them.
The task is theirs to run affairs.
You don't find loafers on them.
The banquet planned they take in hand
Through many a nightly meeting,
Seat every guest and leave the rest
To come and do the eating.

Committees are the workers who
Get small reward, if any;
The chosen few who gladly do
The labor for the many.
Since every one we lean upon
These lines are penned about them—
A willing lot. I wonder what
We'd ever do without them?

East Berlin

EAST BERLIN—Miss Rose Marie Kuhn, daughter of Mr. and Mrs. Roy Kuhn, near the Adams County Fairgrounds, a 1952 graduate of Delone Catholic High School, is completing her business course in York where she has studied for several months. Miss Kuhn's paternal grandfather, Harry Kuhn, resides with the family and who is approaching his 89th birthday, is confined to his home due to the infirmities.

Michael B. Burgard, R. 3, is slowly regaining the use of his right hand which was lacerated in a combine accident last week.

Mr. and Mrs. Paul Lerew entertained over the Labor Day weekend their son-in-law and daughter, Mr. and Mrs. Homer S. Bloodworth, Croton, Conn., with Mr. Bloodworth's mother, Mrs. James Bloodworth, Georgia.

Joyce Balek, 13-year-old daughter of Mr. and Mrs. Joe Balek, R. 1, is able to be about after a recent serious illness. Joyce underwent an emergency operation for appendicitis at the Hanover Hospital a few weeks ago.

Miss Romaine Nitchman, daughter of Mr. and Mrs. Firman Nitchman, Dillsburg R. D., who has been office nurse for the past year for Dr. Joseph L. Eshelman, local osteopath, is now residing in her apartment in the Eshleman Clinic building.

Mr. and Mrs. Bernard Glass and children, Dale and Karen, near Spring Grove, were recently entertained by Mr. and Mrs. W. Lewis Kroft and family.

Young people of the Paradise Catholic congregation who are attending schools other than the parochial school are also expected to enter the class to receive the Sacrament of Confirmation at the church September 15, if they have reached the age of 12 and entered sixth grade in school work without having been confirmed previously. Bishop George L. Leech of the Harrisburg diocese will be here Tuesday evening to confer the sacrament.

Seventy-two children of parish families are attending Paradise Parochial School. Beginners at the school are Stephen W. Grim, Joseph Long, Albert Rang, Garry Runk, Kathleen Keating, Barbara Ann Kroft, Alice May McMaster, Nadine Markle and Clara May Smith. The Sistors of St. Joseph of Paradise School for Boys are the teachers with 78 boys residing at the school making up the additional class members.

The Rev. and Mrs. J. Keller Brantley recently marked their 19th wedding anniversary during the trip to New York which they took with their daughter, Marie, and younger son, Thomas. The couple also has an elder son, Larry, a recent graduate of the local high school. The Rev. Mr. Brantley, an earlier resident of North Carolina, has been pastor of Holtschwamm Reformed congregation for the past year, coming here from Westminster

Mr. and Mrs. Kyle Mignot returned this week to their Williamsport home after spending the summer with their son, the Rev. Francis L. Mignot, acting pastor of Paradise Catholic church.

Hedley Yost, Spring Grove, who has been assisting as organist for services at the local Reformed church, left this week for Princeton, N. J., to attend Westminster Choir School.

Mr. and Mrs. Clyde C. Sowards, who reside north of town, are preparing to make their home in New York City because of Mr. Sowards' recent promotion to the position of eastern states manager for Copperweld Steel.

Annual Harvest Home services will be held Sunday morning at 10 o'clock at Holtzschwamm Reformed Church where the Women's Guild will display the fruits, vegetables and canned foods which have been given to the church for distribution to the Hoffman Orphanage and other charitable institutions. The women recently completed the canning of more than 200 quarts of peaches for the orphans.

Richard Hake, Harrisburg, who resided here as a boy, was a visitor here during the weekend with his mother and his seven-year-old daughter.

New Oxford

NEW OXFORD—Mr. and Mrs. Bernard Lawrence, who have been residing in Ohio since their marriage about a year ago, spent the Labor Day weekend with her parents, Mr. and Mrs. Fidelis Lingg, and family.

Miss Eleanor M. Miller, daughter of Charles F. Miller Sr., has returned to her clerical duties in Baltimore after a brief visit to her father's home.

Rebecca Anne Robinson, elder daughter of Mr. and Mrs. Ryland J. Robinson, is still confined to her home after her return last week from Johns Hopkins Hospital, Baltimore, where she submitted to an operation.

The second of the new series of card parties sponsored by the Rosary Society of the local Catholic Church will be held Tuesday evening, September 15.

Paul M. Miller, son of Mr. and Mrs. Joseph Miller, returned Wednesday to St. Charles Seminary to further his studies for the Catholic priesthood. The young man had spent three months at home on vacation.

OFFERS DEAL TO VIET MINH IN INDOCHINA WAR

PHNOM PENH, Cambodia, Indochina (AP)—Cambodia's Premier Pen Nouth told the Communist-led Viet Minh by radio Friday that if they would get out of his Indochinese kingdom, the Cambodians wouldn't fight them in neighboring Viet Nam.

The Premier's broadcast, reportedly approved by Cambodia's King Norodom Sihanouk, caused consternation in French and American circles in Indochina. Both the United States and France have been counting on Cambodian cooperation in the fight against the Communist-led rebels.

"Have No Quarrel"

"While we are not Communists, we have no quarrel with communism as long as it doesn't impose itself by force on our people," Pen Nouth said in a broadcast addressed to the estimated 10,000 guerrillas of the Communist-led Vietminh operating in Cambodia. He added:

"It isn't up to us to contest your right to busy yourself in the Viet Nam. We ask you simply to let us live our life and leave our soil."

Cambodia is one of the three associated states of Indochina. The other two are Viet Nam and Laos. They are a part of the French Union.

The U. S. embassy in Phnom Penh warned that such Cambodian denial of "all will to fight communism" might lead the U. S. Congress to cut off American military and economic aid to the kingdom.

The French adopted a similar public attitude. "If Cambodia believes the fight against the Viet Minh doesn't concern her, then we have no reason whatsoever to help her," said a source close to Maurice DeJean, France's commissioner general to Indochina.

Braves Postpone Brooklyn's Celebration As Pafko's Tenth Inning Homer Captures Game

By BEN PHLEGAR
AP Sports Writer

The handwriting is on the wall but all of a sudden the Milwaukee Braves can't read.

The stubborn Braves still seem to be operating on the theory that the National League pennant race is a two-team affair. And they're ready to smack down any one who says it isn't.

Brooklyn's dashing Dodgers descended upon the brewing center yesterday primed to wrap up their second straight flag. They needed just one more victory. The celebration was arranged and the brass flew in from Brooklyn headquarters for the whing-ding. They're still waiting for the party.

Papko Homers In Ninth

Out at Milwaukee's County Stadium last night one Andy Pafko made the Dodgers realize that $50,000 was only money. He hit a home run with a man on base in the sitxh inning and he won the game for the Braves with a 10th inning homer after two were out. The score was 9-8.

With 13 games to play the Braves now trail the Dodgers by 12. They meet for the final time today.

Pafko was sold by Brooklyn to the Braves for $50,000 during the winter and the Dodger officials went to great pains to advise the fans that Pafko was no longer necessary. Since his departure Brooklyn has used almost everybody on the roster in left field.

O'Mallery Saw It

The deal didn't set well with Pafko at the time and after last night's game-winning homer, Pafko declared:

"I hope O'Malley (Walter O'Malley, the Brooklyn president) saw that one."

O'Malley did. He was there for the party.

In the American League the two top teams both lost. The New York Yankees bowed to Detroit 3-2 in 10 innings and Cleveland lost to Washington 6-4. Chicago kept its mathematical pennant chance alive with a 9-4 verdict over Philadelphia.

Victory For Gray

The Yankees lead the Indians by 10 games and the White Sox by 13. Any combination of six New York victories and Cleveland losses will give the Yankees their fifth straight pennant.

In other games yesterday the St. Louis Cardinals assured Pittsburgh of a last place finish with a 5-3 decision, Cincinnati edged Philadelphia 6-5 and Chicago won its seventh straight, 5-2, over the New York Giants. The lowly St. Louis Browns stopped Boston 2-0.

Ted Gray pitched and batted the Tigers to victory over the Yankees. He scattered six hits and scored the winning run in the 10th when he tripled and rode home on a long fly by Harvey Kuenn. Yogi Berra and Joe Collins homered for the Yankee runs.

19th For Virgil Trucks

At Washington the Senators stymied Bob Lemon in his attempt to win his 20th game, wrapping up the decision with a three run splurge in the eighth inning.

Duane Pillette blanked the Red Sox on three singles.

Virgil Trucks of the White Sox hung up his 19th victory and aided his own cause at Philadelphia by driving in three runs, two of them on a home run.

Roberts Loses Again

The Cubs pounded New York pitching for 11 hits and Bob Rush held the Giants to four safeties. The Cubs hadn't won seven in a row in seven years.

Robin Roberts of the Phils, who won his first 19 games breezing and who has been struggling ever since, was beaten again in his attempt to win his 22nd. A six-run Cincinnati uprising in the seventh inning kayoed him.

The Binghamton Triplets today were only one game from the finals in the Eastern League playoffs for the Governors' Cup.

Johnny Wingo of the Trips set the Albany Senators down with a six-hitter last night and led Binghamton to a 6-2 victory, its third straight in the best of seven series.

Charley Bowers put Schenectady back in the running with a four-hit shutout as the Blue Jays beat the Reading Indians, 4-0. Reading leads in the series, 2-1.

The Triplets drove Bobby Brake to the showers by scoring three times in the first inning at Albany. Freddie Lanifero slammed a home run for the Senators, but they trailed the rest of the way.

At Schenectady, Wally Habel sparked the Blue Jays' attack with three hits in as many trips. Joe Tesauro drove across two runs in helping beat Jack Carmichael.

TRABERT, SEIXAS FAVORED TODAY

MONTREAL (AP)—Tony Trabert and Vic Seixas try to finish together today a job they started separately yesterday—that is, defeat of Canada in the American zone final of the Davis Cup tennis competition.

They team in doubles against Lorne Main and Paul Willey, two 23-year old dominion aces, needing only this victory to assure Uncle Sam's forces another trip to Australia this winter.

A doubles triumph will clinch the series for the Americans and qualify them to play Belgium, the European winner, in the interzone finals preceding the December challenge round at Melbourne.

Trabert and Seixas are favored to sweep past their rivals in straight sets, just as they did in opening singles assignments yesterday to give the United States a commanding 2-0 lead.

Trabert, the recently crowned National champion from Cincinnati didn't play his best tennis but nevertheless conquered Henri Rochon, 29-year-old cup veteran from Montreal, 6-2, 6-3, 8-6. Seixas, holder of the Wimbledon crown, crushed Main, Canada's top-ranking player, 6-1, 6-1, 6-4. Vic was razor sharp.

Batting—Andy Pafko, Milwaukee Braves' hit two home runs, the second one with two out in the 10th inning to give the Braves a 9-8 victory oyer the Brooklyn Dodgers.

Biglerville And Littlestown Battle To 12-12 Stalemate; Rugged Line Play Features

The Biglerville Canners and the Littlestown Thunderbolts lifted the lid on their 1953 football season Friday night on Littlestown's Memorial Field by battling to a 12-12 tie in a game marked by rugged line-play. Approximately 300 persons watched the contest in perfect football weather.

The scoreless first period was marred by fumbles on both sides, most of which were forced by hard tackling in the line and secondary. After Littlestown kicked off, Biglerville, running from a wing-T moved to the Littlestown 2-yard line with Dehoff and Starner doing most of the heavy duty.

Early in the second quarter Dehoff scored for Biglerville after a short run, but a bad pass from center ruined the try for the extra point. Following the Canner score Littlestown, mixing a running and passing game, moved to the 6-yard line where Kump ran over for the TD. Sell missed the try for the extra point and the half ended 6-6.

In the third quarter Littlestown, switched from the tight-T to an attack feauring a short punt formation. After the game see-sawed back and forth for most of the period, Kump, a fine back all evening, hit Shovaker with a pass and the Thunderbolts added another six-pointer to lead 12-6. Sell again missed the extra point.

Canners Rally To Tie

The Canners tied the game in the final period when Dehoff scored on a five-yard smash for Coach Gene Haas' men. Guise missed the extra point and the game ended with Littlestown in possession of the ball.

Outstanding for Coach Evans' Littlestown eleven were backs Kump and Hall, and linemen Shovaker and Bucher. Guise, Dehoff and Decker featured Biglerville's attack, while P. Harmon and M. Pitzer stood out in the forward wall.

The opener produced no long runs and an alert Littlestown defense smothered the Biglerville passing game. The Canners were able to get only two passes away and neither was completed.

Bands Perform

Half time ceremonies featured excellent performances by both the Biglerville and Littlestown bands and drilling majorettes. Biglerville capped its performance with a colorful "Stairway-to-the-Stars" skit. Littlestown climaxed its program with a song medley ending with the alma mater.

Next Friday evening Carlisle High invades Biglerville while Littlestown will be host to West York.

4 SOUTH PENN TEAMS VICTORS

Four South Penn Conference football teams won opening preconference games Friday night, one suffered a crushing defeat, while another was held to a deadlock.

Gettysburg bumped off Westminster here 13-0; Chambersburg scored in the second period to edge Hagerstown 6-0; Hershey, last year's titlists, whipped Hummelstown 34-7, and Hanover topped Delone Catholic 21-0.

Shippensburg, a non-competitor in the conference this season, was routed by Chief Logan of Mifflin County 40-7.

Mechanicsburg, highly rated as a conference contender, was held to a scoreless deadlock by Swatara Township.

GIRD TICKETS ON SALE

Reserved seat tickets for the Gettysburg-Western Maryland football game to be played Saturday evening, October 3, at Hanover, have been placed on sale at the Britcher and Bender store, Chambersburg St.

STAND PAT ON DEFENSE PACT

WASHINGTON (AP) — The United States, Australia and New Zealand Thursday turned thumbs down on efforts by other Pacific Powers to join their three-nation defense alliance.

In a communique winding up two days of conferences between foreign ministers of the three governments and their top military advisers, the Pacific pact members unanimously declared that admitting more countries "would not contribute directly and materially" to Pacific defense.

Also unanimously, the three foreign ministers agreed to oppose "under present circumstances" diplomatic recognition of Red China and its admission to the United Nations. And they took "special note"—the communique did not elaborate on this point—of Communist activities in Korea and Indochina.

Californians have won six of the last eight USGA national public links championships.

Delone Loses Grid Opener To Hanover 21-0; Whisler And Leister Spark Hawks

Delone Catholic dropped its initial football game of the season Friday evening when it was blanked 21-0 by the Hanover High machine before an overflow crowd on the Nighthawk's gridiron.

A blocked put led to Hanover's first score in the opening period, the Hawks taking possession on the Squires' 30. Ken Leister, an outstanding performer all evening, smacked the line for six yards and then Phil Whisler skirted left end on a reverse to romp 24 yards into pay dirt. Leister plunged for the extra point.

Late in the third period Hanover returned a Delone punt to the Squires' 25 to pave the way for an early fourth period tally.

The Hawks pounded out two first downs to reach the 5-yard mark as the quarter ended. Almost immediately after the start of the final quarter Wolff ripped through tackle for the score. Leister added the point on a placement boot.

The desperate Squires took to the air in the waning moments and an intercepted pass produced Hanover's final TD.

Runs 65 Yards

Whisler snared an aerial thrown by Greenholt on the Hanover 35 and streaked 65 yards for his second tally of the evening after being given a key block by Small. Again Leister added the point on a placement.

Coach Hal Reese's Hawks held a 13-5 advantage in first downs. Hanover completed but one of 10 passes while Delone connected on three of 10. Delone failed to manufacture a serious scoring threat during the evening.

Three Delone players received injuries, two of whom were taken to the Hanover Hospital. Claude Zepp was admitted to the hospital with a possible fractured ankle. Wib Noel, quarterback, suffered a possible concussion. Gerald Shrader, another Delone tackle, received a leg injury but did not require hospitalization. Small, Hanover end, sustained a leg injury.

CARMINE FIORE BEATS WOMBER

NEW YORK (AP)—It broke his heart to give up softball but Carmine Fiore feels the sacrifice was worth it today as he celebrated his fourth straight boxing victory.

The 24-year-old Brooklyn welterweight racked up no. 4 last night by outpointing Danny (Bang Bang) Womber of Chicago with a strong finish in a ten rounder at St. Nicholas Arena.

It used to be the other way around for Carmine, a one-time shoe shine boy. Fiore generally fizzled out in the late rounds.

His doctor learned that Fiore was playing softball almost every day. He told the fighter that the ballplaying plus fight training was sapping his strength.

So Fiore gave up his pet sport and started winning.

A crowd of about 1,000 saw the telecast and broadcast scrap.

ADVERTISE IN THE TIMES

Warriors Defeat Westminster 13-0 To Open Grid Campaign; Tally In Last Two Quarters

Taking to the air late in the third and fourth periods, the Gettysburg High School football team tallied twice to hand a big, rugged Westminster outfit a 13-0 setback as the new season got underway here Friday evening.

Approximately 1,700 fans watched the teams battle to a scoreless first half as time and again penalties broke up potential drives by the Warriors.

Coach Howard Shoemaker's clan moved 71 yards to tally in 10:55 minutes of the third period.

The big play was a long aerial toss by George Penn, quarterback, to Stanton Musser, end, who made a leaping catch on the Owls' 15-yard mark from where he got to the five.

After Penn and Ronnie Williams picked up four yards on two thrusts into the line, Penn streaked around left end to score unmolested. A high pass from center prevented the kick for the point and Penn was halted short of the goal line as he attempted to run with the ball.

Recovered Fumble Aids

Merle Gorman, a reserve end, pounced on a fumble by Bowman, big Westminster quarterback, on the Owl 19 to set the stage for the second Warrior score with but three minutes remaining in the final period.

Three blasts into the line by Rohrbaugh and Williams produced seven yards and then Penn heaved another aerial into the outstretched arms of Rohrbaugh on the five from where he raced over. Penn added the point on a placement boot squarely between the uprights.

Both teams showed their nervousness throughout but particularly in the first two frames as time and again they would jump the snap of the ball.

Gettysburg got in a hole immediately after receiving the kickoff which Williams returned to the 37. Completely halted by the big visitors' line, Penn dropped back to punt on the last down and a bad pass forced him to run with the leather. He was hurled back and out-of-bounds on the locals' 24.

Warriors Halt Threat

The Warriors were equal to the occasion, aided greatly by a five-yard offside penalty against the invaders. Tawney, Kester and Barrick were held to nine yards on plunges as Gettysburg took over on the 20.

Midway in the period Musser recovered a fumble to give the Warriors possession on their own 30. Williams then reeled off the first first down of the evening with a dash around right end to the 48. Rohrbaugh swept the other end on the next play to put the ball on Westminster's 27. The attack bogged down and, aided by an off-side infringement, the Owls took over on the 26.

Following an exchange of punts which gave Gettysburg the ball on the visitors' 40 early in the second period, Charley Livingston picked up a yard and then Rohrbaugh raced for a first down on the 28. Westminster powered through to throw Penn and Livingston for substantial losses, eventually taking over on the 22.

Owls Flash Form

From that spot the Marylanders launched their best and practically only offensive attack of the game. Led by Bowman and Barrick, the Owls ripped off three straight first downs to the Gettysburg 43. Bowman added three and following an off-side against Westminster, the Ruby-men took to the air. On the play a pushing penalty was called against the Warriors, advancing the pigskin to the 30.

The scrappy Warrior line braced and forced Shilling to punt. He got a good roll which carried to the Gettysburg 22. A short time later the half ended.

Midway in the fourth period Musser made a clean steal of the ball from Bowman as he crashed the line to give Gettysburg possession on the Owls' 35. Penn passed to Rohrbaugh on the 15. Two line plays were good for but four yards and when two passes fell incomplete Westminster had possession on the 15.

On the next play Gorman made his recovery on a fumble to set the stage for the second tally.

A great amount of credit must go to the entire Warrior outfit who staged a gallant scrap all the way against a team which outweighed them about 17 pounds per man. There is room for improvement which is certain to come with more experience. Only two lads who started for the Warriors were in the starting lineup of a year ago.

Delone Next Foe

The Warriors made nine first downs to five for their opponents. One of the visitors' was via a penalty.

Next Friday night the Warriors journey to McSherrystown to tangle with Delone.

The Gettysburg High School band put on a particularly pleasing performance at half time. A circus ring was formed after which an Indian dance was staged, a clown polka dance and a chariot race. Preceding the game the band played the Alma Mater, recently composed by Paul Grove, music instructor.

May Draw Today For Pen-Mar Posts

Dr. D. Luther Beegle, Emmitsburg, president of the Pen-Mar Baseball League, said this morning that in the event rains today prevent the scheduled double-header at Emmitsburg to settle positions in the league, a drawing for posts will be made and the two semi-final series will open as scheduled on Sunday.

Emmitsburg, New Oxford and Blue Ridge Summit are deadlocked for second place and today's game were arranged to settle the positions they would occupy in the playoffs. Union Bridge, unbeaten regular season champs, is the fourth team which will participate.

GRIDDER INJURED

Jay Shovaker, 16, Littlestown, was treated at the Warner Hospital for an injury received to his right thumb during the Biglerville-Littlestown football game Friday evening.

The following couples have been issued marriage licenses in Westminster: Marcus C. Hoover, York, and Ruth A. Sell, Gettysburg R. 3; Gene E. Sullivan, Hanover R. 2, and Mary Louise Sentz, Littlestown R. 1; Bruce W. Smith, Aspers, and Clara S. Wolf, Gardners.

The University of Florida's football team plays Southeastern Conference games this fall with Georgia Tech, Kentucky, L. S. U., Auburn, Georgia and Tennessee.

Riding with Russell

Some motorists' idea of saving gas is to let their minds wander.

Lulled Into Trouble

When the engine is a bit reluctant to start these summer mornings the natural tendency is to think little of it. Actually, however, any such delay is a tip-off that something is wrong. Often it is a leaky carburetor plus a substandard fuel pump. Or the choke control may not be working normally. Fouled spark plugs will delay the start, not to mention the delay from breaker points that need replacing. Another factor in lack of efficiency with summer starting is carelessness on the part of the driver. He may pump on the accelerator or fail to open the throttle part way when cranking. He may just touch the starter button instead of giving it a firm press for full contact. Because he knows the engine will start eventually he has a marked tendency to skip over the details.

Cooler Stopping Ahead

When you see some of those fast stops on super-highways you can be sure that the industry is working toward better cooling of brakes. The wire wheel is a step in this direction, but observers believe that the brake drum itself is the answer to prevention of heat damage. Newest development is the bonding of aluminum fins to a cast-iron liner, thus forming a bi-metallic drum that stays true because the aluminum and the fins help carry off excessive heat from high friction of a sudden stop from high speed. Doubtless other combinations will be tried.

Hopeful Sign Anyway

One of the latest on fatalities which follow in the wake of jackknifing of trailer trucks is an electric control for the brakes. This serves to release braking power the instant the wheel starts to lock and slide. Thus braking power to the limit of tire traction can be brought into action and without causing the wheels to slide and the vehicle to skid. I assume that it will eventually reach the passenger far field in time to play a vital role in meeting that arch enemy of driving safety — the simple skid.

Something To Know

When replacing a tire valve dunk the new one in clean brake fluid. This softens the rubber of the valve and is good insurance against its leaking air slowly later on. Brake fluid is an excellent lubricant for all rubber parts. That's why it is used in the hydraulic braking system because the pistons of the cylinders are of rubber.

Mechanic Joe Speaking:

"If the usual explanations of overheating fail to bring a cure it is always well in borderline cases to check into some of the lesser causes. Bent fan blades may be just enough to tip the scales in favor of trouble on a very hot day, if the car has a lot of traffic to buck. Another is driving too fast in overdrive, especially in mildly hilly country, and if the car is heavily loaded. Overheating can be due to the habit of stopping at the top of mountains for a view of the scenery. Often the engine heats up near the top and sends some of its coolant out the overflow. On the next hill there's real trouble."

Control Is The Reason

It may surprise you to know that the main reason for using power brakes is not quicker stopping but greater vehicle control through reducing pedal height. You can stop your car plenty fast enough with standard brakes, but to get to the pedal you have to lift your foot fairly high after removing it from the accelerator pedal, and you must press down through a wider arc. The power brake pedal is not higher than the accelerator pedal, and you press it with your toe, not your foot.

Any Lost Weights?

After the wheels and tires have been balanced make a penciled note of the number of balance weights used on each wheel. Put this into the instruction book in the glove comparment and after a few months check to see if there are any lost weights. Some of the weights may be on the rim facing the car where you can't see them unless the car is being lubricated. Weights remain remarkably secure but if one does fly off the wheel-tire combination will be out of balance.

Risk In Soft Hosing

Any idea that it is all right to put up with old, soft hose connections provided they do not leak is one that should be discarded immediately. Bits of disintegrated rubber may get into the coolant stream and be carried to the radiator where they clog the fine passages of the core. The upper hosing is easily detected if too soft for comfort, but the lower hose may have a metal coil which will be a bit misleading. Incidentally corrosion of this supporting coil is prevented by regular use of soluable oil rust inhibitor in the coolant.

Ounce Of Prevention

A little tip that will save trouble is to clean out the grease cup on the distributor shaft whenever refilling it. Grease that becomes hardened here will starve the distributor shaft and result in the latter becoming noisy. Be sure to use the type grease recommended by the manufacturer. Some shafts are oiled. Exact lubrication here is important.

Keep It In Mind

Many users of cars with automatic transmissions do not realize that freedom from trouble with these mechanical marvel is, in part, due to the way they are handled. Cowboy driving helps develop leakage, looseness and wear.

If you are checking for excessive backlash in the car's rear end do not be too concerned with noises heard in the wheels as the propeller shaft is twisted one way then the other. There is always a certain amount of play and with the car on a lift the hub caps will amplify noise considerably.

Dilution From Bad Plugs

If the engine takes to missing don't be surprised if the oil collects considerable diluent, because when the mixture doesn't fire it will get into the crankcase to dilute the oil. This happens when the engine is cold and when the tendency is to assume simply that the motor isn't ready for normal action or that the choke is on the fussy side. Missing at higher speed doesn't usually cause dilution but it will often foul up the plug so that there will be more trouble when the engine is starting off.

Q. In there an easy way to check universal joints for wear, without jacking the car and manually moving the propeller shaft? H. K.

A. Yes, start the car moving forward just a little, then shift quickly into reverse and start backward. If the joints are loose you'll get audible clanking.

Q. After the engine of my car has stalled I can't get started without a push. Can't understand why the short push invariably sets things into action again. Wm. F. S.

A. You can avoid the push by holding the accelerator pedal all the way down while cranking. This permits the pistons to suck in more air and clear out the over-vaporized gas which won't fire. Don't pump on the pedal. Don't choke.

Q. Is it true that storage batteries are being improved? N. M.

A. Yes, in a number of ways, many of them rather techinal for the layman. Typical, however, is the use of plastic separators in place of the old wooden kind.

Q. No charging rate is shown on the ammeter and the battery is way down, but the generator belt isn't slipping. Do you think that one of the brushes is sticking in its holder? R. L. B.

A. That's a possibility but first check to see if the relay points are sticking. They may also be quite dirty.

Q. The engine of my car acts as if the mixture were too rich at all car speeds. Anything serious? J. J. B.

A. What about cleaning out the air cleaner? Chances are that it is restricting the air intake and thus enriching the mixture.

Q. I have to clean the spark plugs quite often. A friend of mine says this means the rings are passing oil. Will you be good enough to list some additional symptoms as I do not want to have new rings installed if this isn't necessary. N E.

A. It is quite possible that the plugs foul because of a too rich mixture. Check the carburetor's float level which may be too high, and the choke too. Another tip-off to an over-rich mixture is that black sooty type of coating on the plugs. If an engine pumps oil the deposits on the plugs are wet, black and shiney.

Q. There is a light tinkling noise in the engine of my car. Can't figure what it is. Have checked the air cleaner and other things attached to the motor. R. R. T.

A. This could be due to a broken piston ring.

Q. There's a definite lack of power in my car. K. L. B.

A. First check compression. It is probably way below par.

AMERICA NEEDS YOU

IN THE GROUND OBSERVER CORPS!

Here's Why:

The potential of modern military offense is such that a surprise raid against this country could cause tremendous casualties.

Our military defense is aware of this possibility. Air Force interceptor planes and Army anti-aircraft batteries are designed to repel such an attack.

But—if that attack ever comes—*warning must come through in time!* Citizen volunteer plane-spotters—ground observers—play a vital role in providing the necessary warning.

Already some 300,000 civilian Americans are contributing to the job of guarding our ramparts. I salute these Ground Observers for their patience, their perseverance, their patriotism.

But the job calls for twice their number to man these vital posts. Will you serve your country for two hours a week?

COUNTY COUPLE

(Continued from Page 1)

Perfect Love" before the ceremony and during the ceremony sang the "Lord's Prayer."

The bride, who was given in marriage by her father, wore a waltz length gown of ice blue Chantilly lace with full tiered skirt. Her headpiece was a pearl coronet with short veil of matching ice blue silk illusion. She carried a colonial bouquet of white stephanotis and blue delphinium.

Miss Kathryn Bucher, 154 N. Stratton St., the maid of honor, wore a ballerina length blue gown of lace and net with matching headpiece. She carried a cascade bouquet of yellow gladioli.

Harold Garretson, Bendersville, was the best man. The ushers were Lyndale Brandon, R. 2, and Howard Musselman, Orrtanna, brother of the bride.

Reception Is Held

The bride's mother wore blue with navy blue accessories. Her corsage was composed of stephanotis. The groom's mother wore navy blue with blue accessories and wore a corsage of pink rosebuds.

Following a reception for 60 guests at Caledonia Manor, the couple left on a week's wedding trip through the New England states after which they will reside on Biglerville R. 1.

The bride graduated from Goshen College, Goshen, Ind., and is employed by her father in the office of the I. Z. Musselman Orchards.

Her husband graduated from Biglerville High School and Pennsylvania State College. He is engaged in fruit growing with his father.

Reveal Testimony

(Continued from Page 1)

three and four thousand others are "among the fellow-traveling category." Many more, he said, were duped into aiding Communist fronts, but "the temporary sympathizers will fade out."

The boring from within was not aimed at any particular church group, the witnesses said, and was spearheaded by unofficial movements which sought to identify themselves with churches.

In the Catholic church, Kornfeder said, the infiltration "is mainly among laymen." He commented that Communists "had some experience trying to line up the Catholic priests and, well, something usually happened pretty quickly . . . "

Subversive Leader Named

Chairman Jenner (R-Ind) of the Senate internal security subcommittee revealed yesterday that his group had information of "an effort to establish a Communist cell in Catholic organizations."

Jenner cited testimony given here in June by two witnesses described as "active participants" in such an attempt. Senate sources indicated the try at Catholic subversion was made some 10 or 15 years ago and failed.

In testimony before the House group, Kornfeder named Harry F. Ward, former professor at Union Theological Seminary, New York, as leader of a plan to communize clergymen through the Methodist Federation for Social Service. This is an unofficial organization not connected with the Methodist church.

Prompt Denial

In New York last night, Ward Vehemently denied the testimony about him as "completely false."

Gitlow also named Ward as a minister who "carried out the instructions of the Communist party or collaborated with it."

But Gitlow said "the key figure" for the Communists in the religious field was "Robert W. Dunn, head of the Labor Research Association." He referred to Dunn as having been "connected with the Quakers' Relief Organization and with the Young Men's Christian Association."

More Names Mentioned

Others involved "in the Communist conspiracy to subvert the Methodist church for Communist purposes," Gitlow testified, included the Rev. Jack R. McMichael, the Rev. Charles C. Webber, the Rev. Alson J. Smith, Dr. Willard Uphaus, Margaret Forsyth, the Rev. Lee H. Ball, and Prof. Walter Rautenstrauch.

Still others named in the committee's report included Dr. William B. Spofford Sr., the Rev. Irwin St. John Tucker, the Rev. Claude Williams, the late Rabbi Stephen S. Wise and the Rev. John Haynes Holmes.

Many of the clergymen named could not be reached for comment.

However, Dr. Spofford was reached at Tunkhannock, Pa., and said: "I am trying to carry on the Christian religion and I am not a member nor have I ever been a member of any political party."

FIRE COP WHO CHANGED COUNT

LANCASTER, Pa. (AP)—A veteran state policeman who was named in an investigation into withdrawal of a drunken driving charge against a Lancaster contractor was suspended today and ordered to face a departmental trial.

An announcement by the commanding officer of the Lancaster barracks named the suspended man as Cpl. James J. Hagerty, who will be eligible within four months to retire as a veteran with 25 years of service.

The announcement did not disclose the specific charge against Hagerty, whose name cropped up in a district attorney's office report of a case against Lawrence A. Benedict of Lancaster.

Was Fined $200

Benedict, the report said, originally was arrested in Mount Joy by Policeman Michael Good on a charge of drunken driving. Later the charge was reduced to reckless driving and Benedict pleaded guilty.

Following the investigation Benedict was rearrested on a drunken driving charge and since then has pleaded guilty in court and been fined $200 and costs.

Dist. Atty. John W. Beyer resigned during that investigation. Beyer, a neighbor and friend of Benedict, issued a statement saying that he never had used his official position to intervene in any case.

RED MT. CHURCH

(Continued From Page 1)

ent church after the old church was torn down.

The house of worship in which the Red Mount congregation worship today was erected in 1888. Immediately after Annual Conference, that year, a meeting of the congregation was called and arrangements were to tear down the Bowers church and erect a new one. The work was begun, and on April 29, 1888, Rev. Ammon Stapleton, York, laid the cornerstone. On August 19, 1888, Revs. H. B. Hartzler and J. A. Irvine dedicated the church. Shortly thereafter the name of the church was changed to Red Mount because it was situated on a mount of red soil.

The only changes in the structure since 1888 were the relocation of the entrance, the building of a belfry, the installation of stained glass windows, and minor chancel changes, all of which were carried out in 1938. With the merger of the Evangelical church and the Church of the United Brethren in Christ in 1946, the church became known as the Red Mt. Evangelical United Brethren church. Red Mount is a part of the Wellsville charge, Central Pennsylvania Conference.

Former Pastors

The only ministers, still active, who have served in the past are Rev. L. A. Fuhrman, 1909-10; Rev. B. L. Moore, 1926-32, and Rev. L. E. Teter, 1936-41. Ministers, now retired, who have served Red Mount are L. A. Miller, I. K. Baker, M. W. Dayton, J. R. Schechterly, and W. E. Smith. The present pastor is the Rev. Percy D. Brown.

Wilmer Krall and Vance Criswell have prepared an anniversary booklet containing a brief history of the church and other "pertinent information."

Services Sunday, September 20, will include the Anniversary Service at 9:30 a.m. at which time Mrs. A. F. Weaver will teach the Sunday School lesson and Rev. E. C. Basom, a former conference superintendent, will bring the message. A Homecoming conference will be held at 2 p.m. The congregation and friends are asked to bring a picnic lunch which will be served in the church grove at 12 o'clock noon. Coffee will be furnished by the Ladies Aid society. Services will also be held on Monday, Tuesday and Wednesday evenings at 7:45 at which time former pastors will bring the message. Special music will be a part of all these services.

The Anniversary Committee consists of: Wilmer Krall, Ralph Sealover, Vance Criswell, Donald Sealover, Blaine Moody, Mrs. Maurice Goohenour, Mrs. Merl Myers and Rev. Brown.
